Mission of the Month:

Lutheran Disaster Response: Eastern European Crisis

Lutheran Disaster Response and its ecumenical partners, the Lutheran World Federation and Church World Service, are joining together in their humanitarian response to provide Ukrainian refugees with immediate support and supplies such as food, blankets, water and hygiene kits.

What we can do:

Pray: Please pray for those in Ukraine, Russia and neighboring countries that have been affected by the war in Ukraine. May God's healing presence give them peace and hope in their time of need.

Give: Your gifts designated for "Eastern Europe Crisis Response" will be used entirely (100%) to provide support for people impacted by conflict in the region. You can give online at: www.trinitylutheransb.org or write a check with "LDR-Eastern Europe" in the memo.

Monday Bible Study

The Monday Bible Study will not meet again until June 13th. If you have not yet joined us, but are curious about what we do, please consider joining us! We meet via Zoom, but you can also join us via telephone. And as always, there is always room for more!

Caring for Pastor Tim's son

People have been asking about best to show our care for his son, Natanael. (Natanael will have a deep-brain stimulator inserted at the Mayo Clinic on May 24th. It is a lengthy procedure, but he will only be hospitalized overnight. Amazing.) Natanael is not much into greeting cards, but you can send emails or texts to Pastor Tim and he will relay the greetings (revtimtlc@gmail.com or 763-439-9971). Most of all, please hold the doctors, nurses, technicians, Natanael, Pastor Tim and Deborah and his family in your prayers. Thank you.
