Milestone Birthday

Wishing warm, but belated, birthday wishes to Peak Sherry who celebrated her 18th birthday on January 3rd! Peak is a gentle servant who shares her gifts and talents with Trinity by serving as an acolyte regularly and by hosting the weekly Fellowship hour with her family each Sunday. Peak is an incredibly talented artist. During COVID, Trinity offered a Zoom Sunday school for our youth. Part of that consisted of Peak and her mother, Stephanie, helping children to do biblical crafts during the Zoom Sunday school call. Peak displayed her talents as an artist and demonstrated patience as she so graciously worked over Zoom with young children! That was not an easy task! We are so proud of the woman that Peak has become. Her eagerness to help and share her love of Christ are reflected in everything she does. God Bless Peak today and always!

Contribution Statements

Contribution statements will be sent out by the beginning of February. If your email address has changed, please contact the office to update your information. If you would like a printed statement, please contact the office to request this. Thank you in advance for your help!
