Habitat for Humanity Volunteer Information

Southeast Volusia Habitat for Humanity is a volunteer-driven organization.

We welcome people from all walks of life to join us as we build decent and affordable houses in partnership with God and families in our community. Though the vast majority have no construction experience or building skills, volunteers are involved in most phases of construction. By working side-by-side with the family who will live in the house, our volunteers experience for themselves the joy created when a family is able to realize their dream of home ownership.

If you are interested in volunteering with Construction, please contact our volunteer hotline at (386) 428-5010, option 5, to find out where we will be building that day.

Congratulations

Pastor Bob has accepted the position of Dean of the Flagler-Volusia Conference for the Florida Bahama Synod. The dean fulfills the following responsibilities:

- The dean is a leader in the conferences vision for the mission.
- Providing care and support for rostered leaders.
- The dean will help build a sense of community among the rostered leaders within the conference.
- Provide guidance during the Transition process.
- Provides consolation in times of Congregational conflict or disaster.

Please keep Pastor Bob in your prayers as he takes on this new journey to bring unity to the Flagler-Volusia conference.

Update on Smith Family

Edith Rose Smith has a prospective date to officially graduate from the Winnie Palmer NICU! She will be moved to the Pavilion medical complex on November 3rd. Please keep her in your prayers during this exciting time.
